- **Ink Brayer (roller):**  
<https://www.dickblick.com/products/speedball-soft-rubber-brayers/>
- **Paper** A variety of papers are compatible, including plain white copy paper. Tagboard is slightly heavier and works well
- **Work knife:**  
  
ex. <https://www.dickblick.com/items/art-alternatives-artist-work-knife/>
- **Palette or surface for rolling out your ink.** A smooth and flat area that can accept an inky mess. I use a small piece plexiglass from my local hardware store. You can also use a disposable type sheet pan or house painting tray. Blick has a variety of palettes as well
