

Ink Sketching with Color, On Location
Material List
Instructor, Karen Bash

- Pens: #1, #3, and #5, Black, Pigma Micron Pens
- Pencil: 2B Graphite Pencil
- Eraser: Kneaded Eraser
- Paper: 9" x 12" Paper Pad
Bring drawing paper if you are going to be using colored pencils. Bring watercolor paper if you will be using watercolor pencils or watercolor paint.
- Color: You may bring whatever color medium you want. The instructor will be giving demonstrations on different days of how to use colored pencil, water-soluble colored pencil and watercolor paint. These lessons will focus on how to use color in your sketch, with basic instruction on how to use the particular medium. If you are bringing a water medium make sure you have brushes, water and rags.
- Portable Stool: We may not always sit where there are benches or you may want to have options for places to sit so bring a sturdy, but comfortable to carry portable stool.
